Dear Aspen Families,

Today a student discovered graffiti inside a tube slide on the Aspen and Elementary South playground. The student reported it to school staff at Aspen. Once notified, Aspen staff began to address the situation. Pictures of the graffiti were taken and shared with Hawthorn's school resource officer. The graffiti was then removed from the playground equipment. Our resource officer in cooperation with Aspen school administration have thoroughly reviewed the situation and do not feel this is a safety concern for our students.

We are proud of our students for alerting staff so that we could handle the situation and continue to ensure a safe and orderly environment for our students.

Sincerely,

Bill Fredricksen
